SEPA DIRECT DEBIT MANDATE

Account holder IBAN BIC Bank

Creditor:

CORUM Origin

1 rue Euler - 75008 Paris, France

Creditor Identifier: FR60ZZZ672595

The bank account must be in the name of the shareholder with a financial institution domiciled in France or in the European Union.

By signing this mandate and choosing to make regular investments by direct debit, I authorise CORUM Asset Management, as management company of CORUM Origin, to send instructions to my bank to debit my account (see account details above) for any amounts due in connection with my CORUM Origin Regular Investment Plan. The first direct debit will take place in the month of receipt of the enrolment form if it is received before the 20th of the month. Otherwise, it will take place in the following month. I hereby undertake to notify CORUM Origin of any changes in the information provided in this mandate, including changes in account details (please attach your full account details).

Since this mandate is for regular direct debits, these instructions shall remain valid until the mandate is cancelled upon request to CORUM Origin.

CORUM ORIGIN

French open-ended real estate investment company ("SCPI") with a share capital of €968,780,250 as of 31 March 2018.

1 rue Euler, 75008 Paris, France - Tel.: +33 1 53 75 17 56 - email: corum@corum-am.com - en.corum.fr

Registered in the Paris Trade and Companies Register under No. 749 907 507

The object of the company is to build and manage a rental property portfolio.

All requested information must be provided. The management company of CORUM Origin reserves the right to request any additional information or document. As with any property investment, CORUM is a long-term investment whose liquidity is limited and your initial investment, as well as income generated from it, cannot be guaranteed, as they may rise as well as fall. And as with any investment, past performance is not a reliable indicator of future results. We recommend that you make sure that the Regular Investment Plan is appropriate for your financial situation and investment objectives. The tax treatment of income generated by CORUM Origin depends on the individual circumstances, tax regime and tax rate of each shareholder.

Duration of the authorisation

Indefinite duration but can be terminated at any time without charge.

Scheduled voluntary payments

These regular payments (monthly, quarterly, half-yearly or yearly) are made by direct debit from the investor's bank account, subject to the enrolment form for the Regular Investment Plan having been previously sent to the management company Corum Asset Management.

For the first direct debit to take place in the month of receipt of the enrolment form, the latter must be sent at least 5 days before the debit is scheduled (on the 25th of each month). Otherwise, the first debit will take place in the following month. Requests to change or cancel the Regular Investment Plan shall be sent to the management company Corum Asset Management by post or email to corum@corum-am.com also at least 5 days before the direct debit is scheduled in order for the management company to be able to process them in that same month.

Minimum regular payment

€50 (including all costs).

Enrolment conditions

To enrol in this Plan the investor must already hold at least one (1) whole CORUM Origin share.

Share subscription

Each payment results in the subscription of CORUM Origin shares or fractions of shares in the name of the investor, according to the terms and conditions applicable to share subscriptions on the direct debit date. The new shares shall be created at the latest on the last day of the month following the direct debit.

Subscription price of CORUM Origin shares (since 1 June 2018)

Nominal value:	€862.00
Share premium:	€213.00
Incl. subscription fee for:	
- fundraising costs:	€115.71
- property search and investment costs:	€12.90
Total subscription price including all costs:	€1,075.00

Upon capital increases, the management company Corum Asset Management receives from the CORUM Origin SCPI a subscription fee of 11.96% (including taxes) of subscription price. This fee is deducted from the share premium.

Such subscription fee shall cover:

- fundraising costs accounting for 10.764% including taxes (subscription fee exempt from VAT pursuant to Article 261-C-1^e of the French General Tax Code),
- property search and investment costs accounting for 1.20% including taxes (exempt from VAT pursuant to Article 135, paragraph 1, g) of Council Directive 2006/112/EC of 28 November 2006).

Period to dividend entitlement

From the 1st day of the 6th month after the direct debit date, subject to the payment being received by CORUM Origin.

Source of funds

In the fight against money laundering and terrorism financing, financial institutions and professionals from the asset management industry are required to check whether the money entrusted to them comes from legitimate sources. The management company Corum Asset Management reserves the right to request any additional supporting document as part of the regular payments made at the beginning or during the mandate.

Direct debit failure

In the event that, for any reason, the direct debit cannot be fully or partially paid on any of the scheduled dates (insufficient funds in the account, closed account, etc.), CORUM Origin will not create the shares that would have been created as a result of the payment, which will therefore be referred to as "failed". Failed direct debits will be processed again the following month. Should this second attempt fail, the direct debit mandate will become void and the scheduled payments will cease. To resume the scheduled payments, the shareholder will need to fill out a new direct debit mandate and, where necessary, attach their new bank details.

Missing or inaccurate information

In case of any errors or omissions in the direct debit mandate, the management company Corum Asset Management shall inform the investor. The investment plan is then suspended until new instructions or the required additional information is received from the investor.

Redemption of Regular Investments

The redemption price of CORUM Origin shares is €946.39 per share. This amount is equal to the current subscription price of €1,075 minus the subscription fee of €128.61.

Redemption requests shall be submitted to the management company Corum Asset Management by registered letter with acknowledgement of receipt along with the relevant share certificates, and the relevant shares shall be cancelled. The management company Corum Asset Management cannot guarantee that shareholders will be able to obtain the redemption of their shares.

The detailed terms and conditions of subscription and redemption are indicated in CORUM Origin's prospectus, available on the website en.corum.fr or upon request from the management company Corum Asset Management.

Proof of ownership

A proof of ownership is available in the Client Area of the website en.corum.fr for each new subscription resulting from a regular payment. An updated annual proof of ownership is also sent to shareholders and available in their Client Area.

Distribution

Corum Asset Management may use between 0% and 70% of the fundraising costs received as part of the subscription of shares or fractions of shares, to compensate authorised intermediaries for distributing CORUM Origin shares.
